1 September

MEMORANDUM FOR THE RECORD

SUBJECT: Jack Anderson Column, "CIA Withheld Data in JFK Probe"

1. The following comments are keyed to the two paragraphs mentioning alleged activities by John A. McCone immediately following the assassination of President Kennedy: (Mr. William G. Miller told me that this part of the article seemed to be the only potentially new information of interest to the SSCI, particularly Senator Baker.)

2. Mr. McCone telephoned Robert Kennedy at Hickory Hill as soon as McCone was given the news of the shooting in Dalla McCone went to Hickory Hill and remained there for some time. The conversation was intermittent and personal. McCone stat that he never mentioned Castro, and there is nothing in his records to indicate otherwise.
